FFICorporation
a Farrow Family Investments Corporation

Ricky Reese Farrow ***Summary***

Title Examiner, Abstractor and Plant Manager with 22 years experience in all aspects of title research, curative and insurance with heavy emphasis on research and production. Developed new territories for national underwriters. Turned around problem businesses. Built database and integrated title search software. Extremely capable in a variety of management and troubleshooting environments.

Areas of Expertise

- Title Plant Development and Management
- Employee Training and Certification
- Computer Software Design
- Title Insurance Underwriting and Seminars
- Market Development
- Consulting

FFIC/IslandAbstract - CEO

1996 – Present

A family owned title research company servicing national lenders, underwriters and service providers.

AbstractUSA – President

2002 - 2003

Hired, trained and managed a staff of 18 abstractors and examiners. Built client base and increased gross revenue from inception to \$1,000,000.00+. Developed an Access Database geared towards order production and analysis.

Fidelity National Title Insurance Co. – Regional Manager 2001 – 2002

Opened and staffed a title service center to serve local agents, attorneys and closing companies. Created a presence and client base where none existed.

First American Title Insurance Co – Asst Vice-President 1989 - 1996

Expanded a small local company into a Regional Service Center providing title evidence for the Florida Panhandle. Built and managed a 5 county Title Plant with

complete records, indices and base work. Developed a marketing strategy whereby title insurance agents purchased their title evidence rather than employing their own abstractors.

Farrow Land Services, Inc. – Owner

1986 – 1989

Owned and operated a title research company with 9 employees. Expanded coverage to include 13 counties in the Florida Panhandle. Worked extensively with the Florida Department of Transportation acquiring road rights-of-way. Contracted as the HUD Representative for Quadrant 4 (Tallahassee). Company was sold to First American in 1989.

Reading & Bates Petroleum Co. – Landman

1982 – 1986

Negotiated Oil and Gas Leases in Washington, Colorado and New Mexico. Performed all title related searches.

Mr. Farrow attended college at Fort Lewis School of Mines in Durango, Colorado studying Engineering, Geology and Computer Languages. He resides on a small horse ranch in Ponce de Leon, Florida and consults throughout the United States. He has given seminars on the Marketable Record Title Act, Respa Regulations and various Title Examination Procedures. He is the father of 3 and active in area rehabilitation causes.
